The background is an abstract composition of thick, expressive brushstrokes. The color palette is dominated by various shades of green, ranging from a vibrant lime green to a deep forest green. Interspersed among the green strokes are strokes of a rich, royal blue. The overall effect is a dense, textured surface that resembles a close-up of a painting or a high-quality print of an abstract artwork.

PACKAGING & LABELING

The background of the entire image is a dynamic, abstract composition of thick, expressive brushstrokes. The color palette is dominated by warm tones, ranging from bright, sunny yellow to deep, rich orange, and finally to dark, almost black, brownish-orange at the edges. The strokes are primarily diagonal, creating a sense of movement and energy. The texture is highly visible, with individual bristles and the layering of paint evident throughout the composition.
